MEMORANDUM FOR: Associate Deputy Director for Intelligence

FROM:

[REDACTED]

STAT

Chairman, Economic Functional Advisory Panel

SUBJECT:

New Assignments to Economic Functional Advisory Panel

1. The recent selection of [REDACTED] as DD/ALA requires that I suggest a replacement for him on the Economic Functional Advisory Panel. I do so with some regret, for [REDACTED] has been a particularly effective member of the panel. Nonetheless, I believe [REDACTED] of OGI can make a distinctive contribution to the panel's work and would appreciate your approval of her appointment.

2. In discussions with [REDACTED] our so-called nonfunctional member, I have established that she would be willing to step down to give someone else a chance to participate. (I can think of no less suitable term than nonfunctional for [REDACTED] who has put in more work than anyone on the panel.) In that spirit, I recommend that she be replaced by [REDACTED] of ALA.

3. I continue to be concerned that there are too many men and too few women on a panel that represents a discipline in which more than half the DI incumbents are women. In the interests of doing something about that problem, I would like to step down this fall as chairman and be replaced by one of the following women: [REDACTED] (EURA); [REDACTED] (OGI); or [REDACTED] (ALA). If you like, I will make a specific recommendation in the next few months.
